1) Continuance of Mr. Narayana Rao as Principal, Medical School, till about the middle of July.

Whether Mr. Narayana Rao may be granted any allowance for doing the duties of Principal, Medical School, is for orders. When he officiated as Senior Surgeon in 1937, he was permitted to continue to be in charge of the School. Then he was given a consolidated salary of Rs 1200/- p.m. with no allowance for the Principal's work. The question of fixing his pay as Senior Surgeon is under consideration separately. The question of granting him allowance for Principal's work for a short period of about one month from 18.6.193[illegible] may perhaps be considered later on.

2) Allowance to Mr. P. R. Subba Rao for lecturing work in the Medical School.

Mr. Narayana Rao was getting a consolidated allowance of Rs 150/- p.m. as Principal and Lecturer in Ophthalmology. Mr. P.R. Subba Rao has now been appointed lecturer and it is proposed to place another Medical Officer in charge of the Institution as Principal. Dear Sir,

In connection with the retirement of Sastravaidyapravina Mr.S.Subba Rao next month, it is proposed to post Mr.P.R.Subba Rao as Superintendent, Minto Opthalmic hospital, Bangalore. During the absence of Mr.P.R.Subba Rao in 1933 Mr.A.M.Ponnambalam was appointed Professor of Ophthalmology in the Medical College and Messrs: Ponnambalam and Mir Mira Rama Rao were required to attend to the work in the Ophthalmic Section of the K.R.Hospital. In 1937 however, Mr.M.S.Mekhri, Assistant Surgeon, Minto Ophthalmic Hospital was transferred to Mysore and was placed in charge of the Ophthalmic work there in addition to being the Professor of Opthalmology. But again during the same year when Mr.P.R.Subba Rao went on combined leave from 23-11-1937 Mr.A.M.Ponnambalam, Assistant Surgeon attached to the K.R.Hospital was placed in charge of Mr.Subba Rao's work.

In view of these circumstances, I am desired to enquire what arrangements you would propose for work in the Eye Department of the K.R.Hospital and for teaching work in the Medical College if it is decided to post Mr.P.R.Subba Rao to be in charge of the Minto Ophthalmic Hospital, Bangalore.

To

The General & Revenue Secretary,
BANGALORE.

Dear Sir:

In reply to your letter of the 25th inst. I would say that if Dr. P. R. Subba Rao is to be transferred to the Minto Hospital, Bangalore, Dr. Ponnambalam could succeed him. He is competent to do so, and, in fact, has worked all through his career for some such opportunity as this, having always given special attention to eye surgery. Recently he was asked to choose between medicine and the speciality of the eye and chose in favour of the latter. It would seem that he therefore has some legitimate claim to the succession as professor of ophthalmology and I hope he will not be disappointed in obtaining this appointment.

Regarding arrangements in the department of pharmacology, Dr. Ranganathan Rao could continue as lecturer in pharmacology and another lecturer be appointed to teach therapeutics. Dr.B.K. Ramkrishna Rao, MRCP, who has had some clinical experience in London and since his return, could be recruited for the latter work in association with the medical section. This arrangement could be tried as a temporary measure until permanent and more definite appointments be later concluded, if found necessary.

Yours sincerely,

J. F. Robinson.

SIR,

Adverting to Government notification No.4008/C.B. 191-37-1, dated the 26th May 1938, sanctioning the appointment of Rajasevasakta Mr.B.K.Narayana Rao, Superintendent, Minto Ophthalmic Hospital, and Principal and Lecturer in Ophthalmology, Medical School, as Senior Surgeon with the Government of Mysore, with effect from the 18th June 1938, I am directed to state that the question regarding consequential arrangements were considered by the University Council at the meeting held on the 9th July 1938. An extract from the proceedings of the meeting is herein enclosed for information.

In accordance with item (a) of the resolution of the University Council, I am to request sanction for the appointment of Mr.D.S.Puttanna, Medical Officer, Victoria Hospital, Bangalore and Lecturer in Surgery, Medical School, as Principal, Medical School, vice Mr.B.K.Narayana Rao. At the request of the University Mr.B.K.Narayana Rao has been continuing as Principal from the date of his return to duty from leave, pending orders regarding the appointment of his successor as Principal though he has handed over the charge of the lectureship in Ophthalmology to Mr.P.R.Subba Rao. I am to request approval of this arrangement also.

Regarding the allowance of the Principal, I am to state that in accordance with Government Order No.Fin.3.2320-70/S.& A.123-31-1, dated the 2nd October 1931, Mr.B.K.Narayana Rao

was sanctioned a consolidated allowance of Rs.150, per mensem for 12 months in the year as Principal of the Medical School and Lecturer in Ophthalmology. According to the same order the allowance for teaching a subject in the Medical School has been fixed at Rs.50. Mr.P.R.Subba Rao who has been appointed Lecturer in Ophthalmology will be paid the lecturer's allowance at Rs.50, per mensem from the 18th June 1938. It is proposed that the difference should be treated as the Principal's allowance. This view has been accepted in the past(vide Government Order No.4325-26/Uni.C.B.196-37-3, dated the 24th June 1938). I am now to request formal sanction for the Principal's allowance being fixed at Rs.100, per mensem. Mr.B.K.Narayana Rao will be paid at this rate from the 18th June 1938 until the date of his relief as Principal and Mr.D.S.Puttanna will be paid at the same rate thereafter.

[Orders regarding the appointment of Lecturer in Ophthalmology, Medical School, and the Professor of Ophthalmology, Medical College, will be issued by the University. A separate reference will be made to Government regarding arrangements in the Medical College consequent upon Mr.A.M.Ponnambalam's appointment as Professor of Ophthalmology.]

I have the honour to be,

Sir,

Your most obedient servant,

Registrar.
